## District Annual Education Report (AER) Cover Letter

August 22, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the **ALLEGAN PUBLIC SCHOOL DISTRICT** and each of our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws; however, our staff is available to help you understand this information. Please contact [Nancy McKown, Director of Instructional Services at \(269\) 673-5431](mailto:nancy.mckown@alleganpublicschools.org) for help if you need assistance.

The AER is available for you to review electronically by visiting the following web site [www.alleganpublicschools.org/AnnualReport/AR.html](http://www.alleganpublicschools.org/AnnualReport/AR.html) or you may review a copy in the principal's office at your child's school.

The report contains the following information:

### **Student Assessment Data – Michigan Educational Assessment Program (MEAP), Michigan Merit Exam (MME), and Michigan's Alternative Assessment Program (MI-Access)**

- Presents achievement data for English language arts and mathematics for grades 3 to 8 (MEAP), for grade 11 (MME) and science for grades 5 and 8 compared to targets for all students as well as subgroups of students
- Provides achievement data for English language arts, mathematics and science for students with significant disabilities (MI-Access) compared to targets for all students with disabilities as well as subgroups of students
- Helps readers understand achievement progress within schools and compare these to district and state achievement

### **Adequate Yearly Progress (AYP) – Detail Data and Status**

Provides information from assessments, graduation and attendance rates and AYP status in relation to four criteria:

- The district must test 95% of students in total and in each required subgroup
- The district must attain achievement goals in English language arts and mathematics or reduce the percentage of students in the non-proficient category of achievement significantly ("safe harbor") annually

- The district must attain achievement goals for each subgroup that has at least 30 students in the group
- The district must meet or exceed the other academic indicators set by the state: graduation rate for high schools and attendance rate for elementary and middle schools

**Teacher Quality Data**

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

**NAEP Data (National Assessment of Educational Progress)**

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8
- Cannot be compared with MEAP results for grades 4 and 8 because there are no national standards

**Scenario B: District made AYP, but all schools did not make AYP**

For 2010-2011, **ALLEGAN PUBLIC SCHOOLS** made Adequate Yearly Progress (AYP) in English language arts and mathematics; however, all schools in the district did not make AYP. Below you will find a list of the schools not making AYP, the reasons for not making AYP and a summary of the actions underway to improve. The principal has a letter and school specific AER that will help answer your questions. These are also posted on the district and school web sites.

<b>School Name</b>	<b>Reason(s) for not making AYP</b>	<b>Key actions underway to address the Issues</b>
Allegan Alternative High School	Did not attain target goals in ELA or math; did not meet 80% graduation rate goal	Staff is continuously addressing various methods of delivery of curriculum.
L.E.White Middle School	Subgroup "students with disabilities" did not make AYP in English/Language Arts	Staff is continuously addressing various methods of delivery of curriculum for this subgroup.

Allegan Public Schools remains committed to providing the highest level of educational opportunities for all students. Through our continuous efforts in curriculum delivery, staff professional development, and technology updates and integration, we remain dedicated to the success of all students.
