## Elementary Shuttle Buses

Shuttle bus services will be provided for some elementary students, on a space-available basis, using the following criteria:

1. Special needs students
2. MSRP preschool and Y-5's students
3. Students moved to another school due to overcrowding.
4. Daycare issues and School of Choice requests.

**Walkers that need to use the shuttle bus service should be at their home school by 7:30 a.m.**

- *Students should be at their bus stop approximately 5 minutes before pick-up time.*
- ***Times listed below are APPROXIMATE.** Adjustments to this schedule may be made at any time during the school year.*
- ***IF YOUR ADDRESS IS NOT LISTED, please have your child wait at the nearest listed stop and have his/her address and phone number available for the driver.***
- *Bus take-home routes and times may vary from the schedule below.*
- ***Bus passes will no longer be allowed.** If your child needs transportation other than to his/her own home stop on a regular basis (example: to the child's sitter) please make arrangements with your child's school for prior approval. Please do not contact the bus garage.*
- *Students are **not** allowed to bring the following on the bus: live animals or insects, glass containers or glass articles, balloons, toys, bats, balls, hockey sticks, skis, skateboards, sleds, or other items that may cause injury to a student or damage a bus. It is the parents' responsibility to transport these items to school. All carry-on items must be secured by the student in their lap or between their knees (no loose items allowed on the seat or aisle).*
- ***For the safety of other students and the driver, please do not allow your student to have articles hanging from their book bag, backpack, or clothes which can get caught as they enter/exit the bus.***
- *Questions should be directed to Darrell Stoughton, Transportation Supervisor, at the Bus Garage 673-2203.*
