## LADY TIGER SUMMER BASKETBALL 2009

It is time to start thinking about Lady Tiger Basketball again. Although our season doesn't officially begin until November, we believe that summer basketball is when average players become good and good players become great. There will be several opportunities for you to improve your skills this summer. It is up to you to take advantage of these opportunities. Check the Allegan High School athletics website for updates or scheduling changes often because we may be adding new things as the summer goes on. Be sure and look at the Lady Tigers homepage for photos and other information. Remember, the only way to improve your game is through hard work and dedication. GO TIGERS!

We are planning a three day-two night team camp this year at Northwood University. The cost of this camp is \$195 per camper. We will be playing against teams from the east side of the state that will give us some good competition. Look over the camp brochure with your parents and let me know if this is something that you would be interested in attending. If there is not enough interest will we find something else to take this camps place. Let me know as soon as possible so I can gauge the interest and get our non-refundable deposit sent in to secure our spot. This camp is open to all individuals who plan on trying out for the girl's varsity basketball team in November. Attending this team camp does not guarantee your position on the team. Not attending the camp will not affect your position on the team either. It will be a lot of basketball and bonding that will help us improve as a team and as teammates. Fill out the information below and return to the athletic office if you are interested in attending the camp.
